# Wasatch Children's Chorus Performance Very Successful

1 May 1986

The Wasatch Children's Chorus celebrated its fifth birthday on Friday and Saturday nights with two rousing renditions of "Davy Crockett". In addition to the fun-filled play, special musical selections were presented by the Honors Chorus, the Children's Chorus, the Girl's Choir and the Boy's Choir. The enthusiasm displayed by the children was contagious and soon had the audience participating. The 140 members of the chorus obviously enjoyed themselves as they portrayed members of a frontier town celebrating an old-fashioned Fourth of July.

Many supportive parents provided colorful costumes, scenery and props as well as performing numerous behind-the-scene ac-

complishments. All made unique and well-appreciated contributions. The Children's Chorus can now add "Davy Crockett" to a series of successful productions which have included "Jungle Book," "Sleeping Beauty," "Robin Hood," and "Cinderella".

Children who are interested in singing with the Wasatch Children's Chorus for the 1986-87 year may register Monday, May 5th, in the Wasatch Middle School Chorus Room. Those who will be in grade 3 can register at 3:00 p.m.; grade 4 at 3:10, grades 5 and 6 at 3:20.

Hats off to Brad Thompson and the members of the Wasatch Children's Chorus for a thoroughly enjoyable production!
